Hi John,

Apologies for the delayed response – I was waiting for the 11:00 am meeting to be confirmed, which has just now happened.

I am now going to arrange the you requested for Joan Spalding and yourself at noon the same day, i.e Thursday, Feb. 6th. Hope that will still work for you?

Thank you, Cynthia Browne

Would you want to meet right after the 11:00 am meeting on Thursday, the 6th at 12:00 noon?

I am sorry, those times don't work. Joanne is in town Tuesday through Friday. She has meetings all afternoon on Wednesday, but could miss part of that if necessary. She has a different meeting with Joe on methane that will probably be Thursday at 11. She is planning to testify during the Thursday time you gave. I can try to move that if it's the only time you can meet with us.

Hi John:

Here are couple times on Joe's calendar when he is available to meet with you and Joanne (is it Spalding?):

Monday: 2/3: 11:30 am – 12:15 pm

Thursday, 2/6: 3:15 – 4:00 pm

Let me know what will work best for you?

Thanks,

Cynthia Browne

Might it be possible to discuss 111b the first week in February when Joanne is in town?
